## Roadster Handlebar Riser

Heli Modified

HeliBars Roadster Handlebar Riser for the CanAm Spyder dramatically improve comfort by relocating the stock handlebars and cover.

### Sure Sellers:

- The riser is designed to provide the rider with better handling ergonomics and greater low speed control without changing the styling
- Retain the stock handlebar and all cables while making the grips 1-inch taller and bringing them back 4.5 inches
- Optional features include the power assembly adapter with Ram Mount Ball and Powerlet outlet to mount GPS or Satellite Radio with ease

Retail Price: \$369; \$59.60 for optional power assembly
